Living Ministry Menu

When we serve ministries for which we are best suited, we are strengthened rather than depleted, and we often receive more than we give. This is where the concept of spiritual gifts guides us. We are each blessed with gifts of the spirit for nurturing the body of Christ. All of our gifts are valuable; our task is to match our gifts to the needs of God's world. Sometimes this takes place easily and naturally, and sometimes we need some help.

During the past several weeks, we have focused on the importance of identifying and using our spiritual gifts. At the end of this month, "Spiritual Gifts Workshops" will be conducted and will give everyone at Trenholm Road an opportunity to learn more about their own giftedness. We would like for everyone in our community to take some time to reflect on their gifts and where they feel led to serve, and then participate in the Ministry Menu process as a means to put God's grace into action.

This year, in addition to the traditional printed Ministry Menu format, we will have a **Living Ministry Menu**. The Living Ministry Menu will take place in the gym at 9:30 a.m. and at noon

on Sunday, **March 4**, and will provide an opportunity for individuals to stop by and sign up for various ministry opportunities. We will also offer an online Ministry Menu at <http://trumc.org/serve/>.

If you would like to share information during the Living Ministry Menu about a ministry in which you are involved, please contact Kelly Jones at 803-254-6695 or kjones@trumc.org.
